## NATIONAL & GLOBAL EXPOSURE THE JILLS ZEDER GROUP

---

SKY Advertising is excited to present to Coldwell Banker The Jills Zeder Group a curated, multi-media marketing selection of offerings to bring ultra-high net worth buyer awareness to the team and their listings.

Your strategic blueprint is composed of select print media to cast a wide net and digital products that are highly targeted to individuals looking for high-end living in Miami.

Approaching the marketing strategy from these different directions will help us to saturate your market in the most effective way, bringing deserved recognition to The Jills Zeder Group.

## DIGITAL EVENT TARGETING

### GEOFENCE REACHES YOUR AUDIENCE ON THE MOVE

- Event targeting - Target customers who attend specified events within a specific time frame.
- Custom audiences - Target customers that are within or have recently visited a specific Geo-Fenced location.

» GEOFENCE SELECT LOCATIONS OR EVENTS AND THEN RETARGET THE AUDIENCE AFTER.

- From: \$1,500/month

## COMPREHENSIVE DIGITAL

### » SOCIAL MIRROR ADS

Social Mirror ads look like your social media display or video posts but appear on other websites and apps, linking back to the social media platform and your website, and run across all devices using our targeting strategies.

We are “mirroring” the exact look of your social post as an ad that runs on thousands of websites and apps, targeted just to the people you want to reach across all devices.

Social Mirror ads can be done with any organic or paid posts from your business account on these 8 social media platforms: Facebook, Instagram, Twitter, LinkedIn, TikTok, Pinterest, Snapchat, or YouTube.

Ads can be display, video, OTT across connected TVs or carousel.

#### Targeting abilities:

- Behavioral – Thousands of targeting categories including demographics, on-line and off-line behaviors, and interests.
- Keywords – Target a list of up to 500 keywords related to your business, and show ads on the web pages where they appear.
- A.I. Targeting – Show your display or video ads to people across all devices, using machine learning to target consumers based on who is engaging with the ad.
- Retargeting – Following people after they leave your website and showing them your Social Mirror ad, on other websites and apps they go to, across all devices.
- Custom Audience Matching – Target people on your list of emails, addresses, or phone numbers and show them Social Mirror ads when they browse websites and apps.

**PRICE: STARTING AT \$1,500 FOR ONE MONTH.**

## NATIVE DISPLAY

Native ads dynamically match the look, feel and visual context of the website or app where they are seen. They can run across all devices or be specified mobile only. Native ads can be either video or a dynamic picture.

### Higher Engagement:

- Native ads are viewed 53 percent more frequently than display ads, providing a higher CTR (60 percent).
- Native ads result in an 18 percent increase in purchase intent.
- Native ads can help lift a brand by up to 82 percent.

### Targeting Options Include:

**Behavioral** – thousands of targeting categories including demographics, on-line and off-line behaviors, and interests. **Keywords** – target a list of up to 500 keywords related to your business, and show Native ads on the web pages where they appear. **A.I.**

**Targeting** – Showing your display or video ads to people across all devices, using machine learning to target consumers based on who is engaging with the ad.

**Custom Audience Matching & Lookalike Audiences** – target people on your list of emails, addresses, or phone numbers and show them native ads when they browse websites and apps.

Cross Platform Targeting available from Mobile Conquesting.

Native ads come in many forms, but all share the common goal of not “looking” like an ad.

Native ads are proven to have higher levels of engagement than traditional non-native ads, and they get results.

**PRICE: STARTING AT \$1,500 FOR ONE MONTH.**

## OTT/VIDEO PREROLL

### » WHAT IS OTT?

OTT or Over The Top is video programming transmitted via the Internet, not on traditional cable or broadcast. It reaches any type of internet connected device including Roku, Connected TV/SmartTVs, Fire TV Sticks, XBOX, PlayStation, Apple TV, Chromecast, and more. Our OTT gets you to thousands of publishers and streaming exchanges on stations like: Sling TV, FuboTV, Pluto.TV and channels like A&E, AMC, Discovery, ESPN, FOX, NBC, NBA, Syfy, Adult Swim, CNN, and Food Network.

### How can adding OTT help your current marketing campaign?

OTT can extend the reach of a business that is currently doing broadcast TV or cable because OTT reaches audiences that have cut the cord to cable (cord-cutters), or those that have never had cable (cord-nevers) and you are able to reach a more targeted audience with OTT.

eMarketer estimates that over 81 million U.S. consumers have either cut their cords or never signed up for one in the first place.

### Why OTT?

Our OTT runs on Set Top Boxes, Game Consoles, and Smart TVs like Fire TV Sticks, XBOX, PlayStation, 4K FireTV, SmartTV, AppleTV, ChromeCast, Roku, and more. 100% of our impressions are served on Connected TVs.

We have direct inventory on hundreds of Apps and Providers. These cover a variety of content such as News, Sports, Entertainment, Lifestyle, Gaming, Health, Technology, and many more, depending on the targeting categories selected for your campaign. We have over 100,000 targeting categories to choose from and we can also use Artificial Intelligence to find the optimal audience. We have direct deals with large publishers and devices like Samsung TV, DIRECTV, NHL, Fox, local news stations, Disney/ABC, AMC Networks, NBC Universal, National Geography, A+E Networks, Bloomberg, Discovery, the CW, and MLB to serve ads through direct connections. We also have access to Amazon OTT, through the Amazon Demand Side Platform (DSP).

And with Amazon OTT we can target by people's behaviors, Amazon Product Targeting (targeting people who have searched for or purchased certain products) AND through a Custom Audience from a client's database list

## YouTube Video Pre-Roll Ads
