Comprehensive Reporting For Your Customized Campaign

After the launch, we give you complete and comprehensive reporting for the duration of your campaign. We can also give 30 day reports for you to evaluate the effectiveness of your targeting and to adjust it.

- We project the number of impressions (number of times the ad appears on each site) during your campaign.
- The number of impressions are broken down by number and site for the duration of the campaign.
- The delivery by site is broken down into delivered impressions, clicks, and click-through rate. This allows you to see on what sites your ads are performing well and where there needs to be improvement. With this information we are able to adjust the campaign for maximum effectiveness.

SECOND HOMES

THE HAMPTONS NORTH?

The Hudson Valley is starting to resemble that stretch of Long Island.

By JILL SACON
For some time, the Hudson Valley was regarded as the most desirable real estate market in the Northeast. And now, it's back. The region's resurgence is being fueled by a new breed of buyers who are buying second homes here to enjoy the scenic views, the quiet life and the peace of mind that comes with owning a second home in the Hudson Valley. It's a new breed of buyer, one that is looking for a place to escape to when they need a break from the city. They are looking for a place to escape to when they need a break from the city.
