Comprehensive Reporting For Your Customized Campaign

After the launch, we give you complete and comprehensive reporting for the duration of your campaign. We can also give 30 day reports for you to evaluate the effectiveness of your targeting and to adjust it.

- We project the number of impressions (number of times the ad appears on each site) during your campaign.
- The number of impressions are broken down by number and site for the duration of the campaign.
- The delivery by site is broken down into delivered impressions, clicks, and click-through rate. This allows you to see on what sites your ads are performing well and where there needs to be improvement. With this information we are able to adjust the campaign for maximum effectiveness.
